IMPORTANCE OF MAGNETIZED WATER

“If, therefore, you desire the help of spiritual friends, in the solution of your physical-psyche needs or in the problems of health and balance of your companions, place your vessel with crystal clear water, in front of your prayers, wait and trust. The dew of the Divine Plan will magnetize the liquid with rays of love in the form of blessings and you will be consecrating the sublime teaching of the glass of pure water, blessed in Heaven.” (Emmanuel, *Segue-me*, 6. ed., p. 132).

THE GOSPEL AT HOME AND REINCARNATION

“Generally, the companions who have already demanded the superior sphere do not join us, worthily surrounded by victors, but rather less esteemed fond of other times, to restore the fabric of brotherhood, indispensable to the coat of our soul, on the journey to the summit of life. [...]”

He who does not help some is not enabled to help many. [...].

If you do not practice communion with Jesus, in the family group or in the isolated effort, do not delay to seek his neighborhood, inspiration and direction. " Emmanuel (Espíritos diversos, *Família*, 5. ed., p. 17-20).

IMPORTANCE OF THE PRAYER

“Prayer! Ah!... How touching are the words which fall from the lips of one who prays! Prayer is the Divine Dew which lessens the excessive heat of our passions. Favourite daughter of faith, it leads us along the pathway which takes us to God.” (Allan Kardec, *The Gospel According to Spiritism*, chapter. XXVII, item 23).

SPIRITUAL ASPECTS OF DOMESTIC CULT

“The home that cultivates prayer becomes a fortress, do you understand?

The shadow entities experience large collisions, in contact with the luminous vibrations of this domestic shrine, and that's why they keep their distance, searching for other directions.” (André Luiz, *The Messengers*, 25. ed, p.197).

CAN I DO THE GOSPEL AT HOME BY MYSELF?

“If the Spiritist is alone with his/her faith, in the recess of his/her own home, he/she should faithfully attend to the testimony of love that fits him/her, remembering that he/she will respond at any time to the principles he/she embraces.” (André Luiz, *Spiritist Conduct*, 32. ed., 26).

BE A VOLUNTEER IN THIS CAMPAIGN!

“Be a volunteer in the Gospel at Home program.” Cairbar Schutel (Diverse Authors, *The Spirit of Truth*, 9. ed., Chapter 58, p.141).

“At least once a week, implement the Gospel at Home with all those who share your faith, studying the truth and radiating the good, through prayers and comments around daily experiences under the light of the Spiritist teachings.

Those who cultivate the Gospel at home, make their own house a temple of Christ” (André Luiz, *Spiritist Conduct*, 32. ed., Chapter 5, page 26).

PEACE AT HOME. PEACE IN THE WORLD

“The world peace begins under the roofs in which we shelter ourselves. If we do not learn to live in peace, between four walls, how to expect for the harmony of the nations?” (Neio Lúcio, *Jesus in the home*, 22. ed., p. 16).

GOSPEL IN THE HOME

“ Let us work for the implantation of the Gospel in the Home, when it is within reach of our possibilities.

The harvest depends on the sowing.

If the farmland suffers the carelessness of those who till and prepare, if the plow lies inert and if the cultivator fears the service, the harvest will always be disillusion and necessity, accentuating discouragement and restlessness.

It is important that we unite ourselves in the launching of Christian principles in the domestic sanctuary.

To bring the clarity of the Good News to the temple of the family is to improve all the values that the earthly experience can offer us.

It is not enough to enclose the material relics that are reported to the Divine Master, among the adornments of the stone and lime building, where souls gather under the bonds of community or affective attraction. It is necessary to express the teaching of Jesus in one's own life, adapting his or her feeling to the exalted beauty.

Gospel in the Home, it is Christ speaking to the heart. When sustaining such light in the living churches of the home, we will have the existence transformed in the direction of the Infinite Good.” Bezerra de Menezes (*Espíritos diversos, Temas da vida*, p. 57-59).

“Jesus Christ at home is peace in the heart and harmony in the world” Aura Celeste (*Diversos espíritos, Crestomatia da imortalidade*, p. 70).

“Let us help the plantation of Christianity in the family sanctuary, under the light of Spiritism, if we wish effectively the perfected society in the future.” Bezerra de Menezes (*Espíritos diversos, Temas da vida*, p. 60).

IMPORTANCE OF THE GOSPEL OF JESUS FOR HUMANITY

- What is the importance of the Gospel of Jesus for Humanity?

- I believe that the importance of the Gospel of Jesus in our spiritual evolution is similar to the importance of the sun in sustaining our physical life. (Chico Xavier/Emmanuel, *Entender conversando*, p. 132).

NEED FOR GOSPEL CULT AT HOME

“ Problematic families!... Brothers who antagonize each other... Spouses in lamentable litigation... Animosities between son and father, thorns of hatred between daughter and mother...

Marital affections that are dismantled in flows of turbid acrimony... [...].

Ignite the clarity of the Gospel in your home and love your problematic family, exercising humility and resignation.” (Joanna de Ângelis, *Dimensões da verdade*, p.182;184).

THE FIRST CHRISTIAN CULT AT HOME

“ Jesus glanced around the modest room, took a short break, and continued:

– Peter, let us kindle here, around all those who look for fraternal assistance, a new clarity. The table of your house is the home of your bread. In it, you receive from the Lord food for each day. Why not plant, around it, the seed of happiness and peace in conversation and thought?”

Then Jesus, inviting the apostle's relatives to the edifying talk and to the elevated meditation, unrolled the writings of wisdom and opened the first Christian worship in the home on earth. (Neio Lúcio, *Jesus no lar*, 22. ed., p. 17).

WHAT IS THE CULT OF THE GOSPEL AT HOME?

It is a family meeting, on a fixed day and hour, at least once a week, for the study of the Gospel of Jesus according to the Spiritist Doctrine, and family prayer. (Comissão do Esclarecimento e Família, Paz em casa, paz no mundo: *Culto do Evangelho no Lar*, p. 61).

“ The study of the Gospel at home is equivalent to a lamp shining onto the work of assistance and spiritual enlightenment.” (André Luiz, *Disobsession*, 13. ed., p. 239).
